 stemming from children who have been unable to resolve issues between themselves. In some of these situations students have said that they are tired and they stayed up late. It is probably a good time to reinforce the need for routines including trying to ensure that the kids get a good night’s sleep.

The P and C is looking at the possibility of providing some funding for a retaining wall around the play equipment above the netball court and adjacent to the pre primary. I will keep you informed as to the progress being made in regard to this project.

Some students are wearing bracelets of various kinds to school. Bracelets of any kind and other jewellery are not part of the school uniform and are not to be worn. On a positive note I am pleased to see so many of our students wearing their winter uniforms. They all look great.

Our World’s Biggest Morning Tea is on this Thursday 22 May. Please support this very worthy event where students make a donation to participate. All money raised from this event will go to cancer research.

As you are aware winter weather is upon us and this is the time for colds and other ailments. If your children are unwell please keep them at home so that they do not infect other children.

### Principal’s Piece

Welcome to another copy of the Walliston Primary School Newsletter. Our NAPLAN week is over and this will enable us to return to our usual routine. We have had a few situations recently between students where they have been unable to resolve issues between themselves. In some of these situations students have said that they are tired and they stayed up late. It is probably a good time to reinforce the need for routines including trying to ensure that the kids get a good night’s sleep.

The P and C is looking at the possibility of providing some funding for a retaining wall around the play equipment above the netball court and adjacent to the pre primary. I will keep you informed as to the progress being made in regard to this project.

### Cross Country Breakfast

A breakfast training run will be held next week on Wednesday 28th May beginning at 7.50am. Students will have a warm up, a run of the course, followed by a breakfast of cereal, fruit and juice. Please bring a bowl, spoon, cup and $2.00 to help cover costs.

### Office Honour Board

This week’s Honour Board Students are: Isabelle, Paige, Ronan, Cassie, Adrian and Shayne

**Fantastic Art!!**
PLAYING FAIR

The biggest comment or complaint I get from kids and sometimes adults is 'It's not FAIR!'.
When the students are out in the playground, this is a good description of how we can 'play fair'.

Follow the agreed rules
One of the biggest of arguments in the playground is when kids break the rules or change the rules, making up rules and agreeing on them helps prevent disputes...... (most of the time)

Allow everyone a turn
If everyone gets a turn, it reduces the likelihood of bad behaviour or disputes, and everyone feels like they are playing and feel included

Include people who are left out
No one likes to be left out or excluded, so one of the challenges that I see, is getting everyone to be thinking of others and including the kids who might not be the best kick or as fast, but still letting them have a turn so that everyone enjoys school and feel included

Respect each of the players
I do let the students know that they don't necessarily have to like everyone or play with everyone, no one is forcing anyone to be someone's friend. But if we can act civil or friendly to the kids we don't 'like' then at least we can all get along....... Avoiding the 'putdown' is a great way to show respect to our friends....

Thank you
Adrian Wilson

Kalamunda Bakers Delight
Kalamunda Bakers Delight has a loyalty program where 5% of total purchases will come back to the school at the end of the year. So don't forget to mention our school with your next purchase.

IGA Sanderson Rd
Thank you to our families who shop at Sanderson Road IGA and place their receipts in our ballot box at the store. The 1% kindly donated does add up, and since 1st August 2012 to 31st March 2014, we have received $542.35

Easter Raffle
With thanks to our very generous school community, we received so many Easter donations that there was no need to use any of our P&C funds at all. We were able to give out 3 prizes per classroom and 3 prizes for Staff. Thank you to Shireen Pivac, Cara Johnson, Michel Hosking, and Michelle Stubbs for your help wrapping the Easter Prizes. Congratulations to all the lucky winners. Total amount raised was $900.50

Mothers’ Day Stall
Many thanks for all the lovely donations received for our Mothers’ Day Stall. The donations not only reduced our expenditure but also gave the children a beautiful variety of affordable gifts to choose from. It was a lot of fun watching the students choose their gifts, practice maths skills, and also some very lovely manners! Hope all Mums enjoyed their gifts and had a Happy Mothers’ Day. Thanks to Natalie Jenkins, Shireen Pivac, Maxine Wiggins, Alisa Kilpatrick, and Jeannie Lovell for your help with the sales. Many thanks also goes to Natalie Jenkins, Jude O’loughlin and Claire Rea for helping with wrapping and setting up for the day. The stall raised a total of $977.45

Reminder
Australia’s Biggest Morning Tea is on tomorrow in the Covered Assembly Area at 10.15am

Please come and join your child for recess while at the same time helping raise money for a great cause.

School Community Garden

Our major goal this year is to raise enough funds to build a School Community Garden. We have got off to a great start and are well on our way to achieving our goal. Thank you so much for your support.
### Room 3
#### Room 3 Impressions of Van Gogh’s Work

### Year 6/7 Interschool Sports

On Friday 16th May the Yr 6/7 football team and two netball teams played 2 matches at Ray Owen Reserve against Lesmurdie P.S and a mixed school team. Congratulations to all participants on their sportsmanship and behaviour on the day. Thank you to Mrs van de Velde for helping with the Netball and Mrs Rumsley for washing the football jumpers. Thank you also to the spectators who gave their positive support from the sidelines.

**Walk Safely to School Day**

Friday 23rd May

This program asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. Walking with children all the way to school may not be realistic for many of us, it is quite easy to figure out how you can build a walk into your family’s daily routine. If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking helps beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids, so get planning your own Walk Safe to School Day journey for this Friday. For more information visit www.walk.com.au
