Thanks to all of you who have supported our Movember Cup Cake Day on Tuesday. Many of the upper students brought in ingredients to do the icing and the cakes looked an absolute treat. Our collection box on the front counter is full so obviously people have been coming in and dropping their change as well as some notes. I would also like to thank our parent helpers who attended the icing and decorating session and our student leaders who did the icing. Thanks also of course to the dedicated work of Mr Wilson our Chaplain who once again has excelled with his organisation of this event.

Last week we had our Kindy Orientation Session. This was very well attended and parents received lots of information about the Kindy from teachers, P&C reps, the school nurse, school banking and school programs. We have currently got 17 enrolments with space for more to expand this program.

Our school survey ran for two weeks from November 2nd until November 13th. The results of this survey will be collated and analysed and then distributed. Thanks to those of you who participated. We intend to have a follow up with a survey next year to get some further details on your responses.

Our Surfsafeonline Parent Information Evening went very well last Tuesday evening with around 30 parents and staff attending. The information was very well received and parents I have spoken to have said they would like their children who are moving up through the years to have the opportunity to have this information next year. If you were unable to attend and wish to get some information you can do a search for Surfsafeonline.

Finally, many of our year 6 students attended the High School Transition morning at Lesmurdie Senior High School on Monday 16th November. Student were transported to and from the school and got a taste of high school operations. I understand things went well and that most are feeling good about attending High School next year.

A very interesting and enjoyable day was had by all.

SHARING A HILLS CHRISTMAS
An early reminder for the upcoming Christmas appeal, although Christmas still seems ages away. In previous years the community of Walliston Primary School has given generously to the ‘Sharing a Hills Christmas’ appeal. The Christmas food collected is distributed to local families who are in need. Last year over 250 hampers were delivered in the Hills area. We invite the families and students to place at least one item under the Christmas tree in the Library Resource Centre. Packaged items or cans are great, including sweets, biscuits and soft drinks. No perishable foods please. Goods will be collected for this worthwhile appeal from Wednesday 25th November and can be dropped off to the library or the School Office. Thank you for your support………
Thank you

ITALIANO
Buongiorno e Benvenuti! The students of Room 8 enjoyed presenting “Facciamo Festa!” (Let’s Celebrate!) at the Italian assembly on Fri 23 October 2015. This was a presentation of a variety of cultural festivals held in Italy. The bilingual assembly’s focus was to showcase a cross-curricula performance of art, music, drama, language and use of computer technology. Students were encouraged to develop their oral communication skills and confidence. “Mille grazie” (Many thanks) to Kai Lovel and Sean Johnson, our ICT team for the professional organisation of the audio and visual technologies, and the fog machine for that special effect.
Another highlight has been “Il Giardino Italiano” (The Italian Garden), which has been kindly funded by the P&C. Children have been learning the names of the various herbs and vegetables in Italian. The cooking activities with the classes have been popular and fun!

IGA
Thank you to Sanderson Rd IGA and our families who place their receipts in our ballot box out the front of the store. We have received another cheque for $150.10, which is 1% of the total receipts from 1st of April to 31st of October. Very generous, especially considering they do the same for 9 other schools in our community!

Toy Catalogues
Another order will be placed at the end of November. Please get your orders in for Christmas. More catalogues are available in the office if needed.

Gym Tonic passes for sale in the office. Only $10 for 5 casual visits to the gym or fitness classes. Thank you to Gym Tonic for donating all payments to school.

Halloween Disco
Thanks so much to all the parents that came along to help supervise, the school leaders who worked at the younger students discos, and Mr O’Hara and Mrs Sneyd who gave up their time to be on hand for us to use the buildings. And of course a huge thank you to the lovely parents who helped decorate, it looked fantastic! Thanks for coming to our disco Batman!!
