Dianella Road, Walliston , WESTERN AUSTRALIA 6076

VOLUNTARY CONTRIBUTIONS & CHARGES FOR 2024

Voluntary contributions and charges enable a school to improve those services it provides to all students attending. The scheme is one of the only equitable methods a school has of raising finance on its own. **We would therefore appreciate all families paying these contributions as soon as possible to enable full budgeting for 2024 to take place and resources required for your children to be purchased.**

Charges for Interm Swimming and Dance (as indicated below) are all costs associated with normal school programs. (Kindy children will not be involved in the Dance & Swimming program).

For those families who would like to organise a payment plan so they can spread out the payments over the year on a weekly/fortnightly basis, please contact Mrs Della-Franca to organise your plan. This can easily be set up through your online banking as a weekly/ fortnightly payment that can continue until payments have been made in full. We have many families that take advantage of this arrangement.

While it is preferable for total payment of all voluntary contributions and charges to be made now, parents may pay charges as they occur during the year.

Please return the form below with payment in the payment envelope provided, marking either Cash or Direct Deposit and place in the lockbox in the front office.

Craig Mainard
1st Feb 2024

**Please cut here and return this form together with payment in the envelope if paying by cash. Alternatively, you can direct deposit into the Walliston Primary School's Account. Please see below for details.
